Welcome to the inaugural **ACS Members Tour** to South Africa. There's no doubt the Proteas on their home soil are a formidable opponent and the four Test Qantas Series will be an exciting affair. The ACS tour includes the final two Tests, one of which may well be a series decider. Not only that the two grounds involved are synonymous with the history of cricket on the Continent; Newlands at Cape Town and The Wanderers in Johannesburg.

The tour will be lead by experienced campaigners Ken & Susan Piesse, current President of the ACS. The tour is operated by long term Gold Sponsor of ACS; Events Worldwide Travel. There's more detail on their experience along with a detailed itinerary within this brochure.
